

St Vasilios (Basil) the Great Church School Students and Parents:

We hope that you are staying safe and strong amid the challenges that COVID-19 has presented. These challenges are impacting the way we have historically conducted Church School. It has been decided that for the safety of our students and staff that Church School begins remotely.

The exception to this will be the High School class (grades 9 - 12), who will meet in-person in the old Greek School building where there is ample space for social distancing and ventilation. All CDC guidelines will be followed including the requirement of face masks, social distancing and hand sanitizing. This class will begin on **Sunday, September 27**, from 10:30am to 11:30am.

Educational materials; lessons, crafts, activities etc. shall be provided for students in grades K through 8. These packages can be picked up on either Sunday, September 13th or 20th. between 10:30am and 12:30pm, outside of the Educational Center. Students can work at home with parental assistance as applicable.

For the older students, in addition to the educational packets, there are pertinent recordings of topical information on the St. Vasilios website: www.stvasilios.org Additional websites for all age groups include: www.goarch.org (library), www.y2am.org and Be the Bee 'you tube' videos.

“Our Church School is a dedicated teaching ministry providing resourceful instruction in our Orthodox Christian Faith.” We pray for the day when we can all be together again.
