

The St. Val's Men's Club News and Announcements

This has been a challenging year for the Men's Club and for the St. Vasilios community. This fall, we have seen an uptick in COVID19 cases and are entering what looks to be a long winter in our ongoing fight with this virus. Despite good news on the horizon about potential vaccines, the ongoing lockdowns and quarantines continue to test the strength of our fellowship and our faith.

This year we were forced to cancel the Annual Charity Golf Tournament, our monthly dinner meetings, and the Winter Dance. Yet despite these restrictions, the Men's Club has done its best to maintain the bonds of fellowship and connection that define our community.

The Executive Board has continued to meet virtually each month and we were able to hold a very successful Cigar Night in July – an event that we hope to make an annual feature of the St. Vasilios calendar in years to come. The Men's Club was also instrumental in organizing and supporting the modified annual Church Festival – which became a very successful Grab-N-Go event this year. We would like to give a special THANK YOU to all the volunteers and members who made these events a success.

In 2020, the Men's Club has also contributed to the following:

New Kitchen Equipment

New Chairs for Church Services in the Hall

"St. Val's Kitchen" Meals for the Less Fortunate

St. Vasilios PTA, GOYA, and St. Val's Dance Group

Sincerely,

John Kourtelidis
SVMC President
