

## **A Fund Raising Challenge**

**At its regular quarterly meeting the members of the Koliva Committee unanimously voted to issue a fundraising challenge to the members of our parish.**

**Any parishioner or organization that makes a donation to the Men's Club Elevator Fund from December 1, 2017 until June 30, 2018 will have their donation doubled up to a maximum of thirty thousand dollars. In this way, the members of the committee hope to raise \$60,000 and together with money already raised, make it possible to complete this very necessary project.**

**We ask each of you to please consider this challenge and through your donation make the elevator a reality that will enable people with mobility issues to more fully participate in the life of our parish. Although we have a long way to go to fund this project, with your assistance we are determined to make this project a success. No donation is too small.**
