Dear Parishioners,

Someone once said, “The trouble with being in need is that it takes up all your time.” How true. When a person must concern himself, or herself with daily survival, self-sufficiency is impossibility.

I would like to ask any of our parishioners who may be struggling during this Covid-19 pandemic because of income loss due to layoffs, outright job loss or for any other reason this Thanksgiving Season to please call the church and speak with me. So that our parish family can brighten your home and table this Thanksgiving. I would also like to remind all of us that the opposite of poverty is not wealth, but adequacy. Adequacy – simply having enough of the essentials to live and for this season to celebrate Thanksgiving.

Your identity will be known only to me and will be held in the strictest confidence.

As St. Paul writes to the Galatians (6:9-10): *Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up. Therefore, as we have opportunity, let us do good to all people, especially to those who belong to the family of believers.*

With much love in Christ,
+ Rev Christopher P Foustoukos
