

Philoptochos News:

Philoptochos will be making and selling loukoumades Sunday, November 23 during coffee hour. Come and treat yourselves to this delicious treat.

On Saturday, November 29 at 10:00 all are welcome to come help clean and decorate our church in preparation for the upcoming Christmas holiday. It shouldn't take more than a couple of hours and all ages are welcome. Lunch will be enjoyed in the gym after our work is done.

During these difficult times there may be families in our own community that are struggling to get a Thanksgiving Day feast on their tables. If you know of a family please contact Father Chris or Father Yianni at the church office (978-531-0777) by **Sunday, November 29 so that we can offer assistance. Complete confidentiality will be exercised. Please contact me with any questions.**
