

We are proud to support five of our young adult parishioners as they prepare to serve as YOCAMA missionaries to the Blackfeet Nation of Montana this summer. These dedicated individuals are heading off this year to both higher education and meaningful service, and we are committed to assisting with their travel expenses.

We invite parishioners who are able to assist with this financial effort to make a donation to the St. Vasilios Altar Fund, noting “YOCAMA Mission” in the memo field.

Your generosity will help send our youth on this important journey of *faith and service*.
